

Logging in to **derbymusicscene.co.uk** is easy!

1. Goto <http://www.derbymusicscene.co.uk>
2. Fill in your **username** and **password** in the **register / login** form box.
Click **Log In**.

The screenshot shows a web form titled "Register / Login" with a dark blue header. Below the header, there is a link "→ Register as a site member!". The form contains two input fields: "Username" with the text "myloginname" and "Password" with "*****". A "Log In" button is positioned below the password field. At the bottom, there is a checkbox labeled "Shared Computer" which is currently unchecked.

3. Once logged in successfully. The **register / login** form box changes to show you logged in and offer you a **log out**. Also you will now notice a **Control Panel** link in the **Quick Links** menu. Click **Control Panel**.

The screenshot displays the user interface after a successful login. At the top, a dark blue header reads "Register / Login". Below it, a light grey bar shows "Logged in as: myloginname / → Log Out". The main content area is divided into three sections: "Quick Links", "Navigation", and "Archives". The "Quick Links" section lists several options, with "→ Control Panel" circled in red. The "Navigation" section lists "→ Today" and "→ Archives".

4. Your **control panel** will allow you change your settings (username / email / password) etc. That's the basics for a **non-team member**. If you are not a **team member** yet you will be shown the following screen. As soon as you've joined let us know you have via email at info@derbymusicscene.co.uk or our **myspace** and let us know you want to be **team member**.

The screenshot shows the Derby Music Scene Control Panel for a non-team member. The page has a dark header with the site name 'Derby Music Scene' in blue. On the left is a navigation menu with links: Home, Add Items, myloginname, Settings, Items, and Comments. The main content area is white and contains the following sections:

- Your Derby Music Scene Entries**: A message stating 'You're not on any weblogs teamlist'.
- Your settings**: A list of links: 'Edit Your Settings...(login name / real name / password / email / website / notes)', 'Browse your items...', and 'Browse your comments...'.
- Log Out**: A list of links: 'Back to Control Panel' and 'Log Out'.

At the top right, it says 'Logged in as myloginname - Log Out Control Panel - Your Site (derbymusicscene.co.uk)'. At the bottom, there is a copyright notice: 'derbymusicscene.co.uk © 2007 derbymusicscene.co.uk. Designed by www.mk-design-services.co.uk'.

5. Once you are a **team member**, you have many more options such as **links to the websites, add item, edit / delete items** (you've made), **comments, bookmarklet**, and links to the **add a gig** page and **calendar** page.

The screenshot shows the Derby Music Scene Control Panel for a team member. The layout is similar to the previous screenshot, but with additional options. The navigation menu on the left includes a dropdown menu for 'which site'. The main content area includes:

- Your Derby Music Scene Entries**: A table with columns for Site Name and Actions.

Site Name	Actions
derbymusicscene.co.uk	Add Item Edit/Delete Items Comments Bookmarklet
derbymusicscene.co.uk Calendar	Add Gig View Calendar
- Your drafts**: A message stating 'No drafts'.
- Your settings**: A list of links: 'Edit Your Settings...(login name / real name / password / email / website / notes)', 'Browse your items...', and 'Browse your comments...'.
- Log Out**: A list of links: 'Back to Control Panel' and 'Log Out'.

At the top right, it says 'Logged in as myloginname - Log Out Control Panel - Your Site (derbymusicscene.co.uk)'. At the bottom, there is a copyright notice: 'derbymusicscene.co.uk © 2007 derbymusicscene.co.uk. Designed by www.mk-design-services.co.uk'.
